DEATH OF GILBERT TAYLOR.

One of Gainesville's Well Known Young
People Passed Away.

The city was saddened Sunday night
by the information of the death of J.
Gilbert Taylor, which sad event occur-
ed at the Baker Infirmary, Sumter, S.
C., Sunday morning, after an opera-
tion which had proved imperative
from several months' illness.

Deceased was twenty-eight years of
age, and was born in this city. He
was always a favorite among his as-
sociates, being possessed of a most am-
iable disposition and charitable nature.
He joined the Baptist church in early
childhood, and has always been loyal
and faithful to his religious creed.

Deceased was surrounded at the bed-
side by his mother, Mrs. John M. Tay-
lor, his wife, and his brother, George
Taylor, when death came. His brother,
W. B. Taylor of this city, was notified
too late, but started for Sumter, when
a telegram intercepted his journey in
Jacksonville.

Mr. Taylor was married three years
ago to Miss Laura Brittain of Jackso-
ville, with whom he has since lived
happily.

He is survived by his mother, Mrs.
John M. Taylor, his devoted wife, two
brothers, Geo. R. and W. B. Taylor,
and one sister, Mrs. F. R. Chaddock of
Moundville, West Virginia.

The remains arrived in this city
Monday night via the Seaboard Air
Line, and were met at the station by a
committee of Gainesville Lodge No.
920, B. P. O. Elks. The body was
taken to the home of his brother, W.
B. Taylor, where friends were anxiously
and pathetically waiting.

Mr. Taylor, at the time of his death,
was the Southern representative of the
Supplee Hardware Company of Phila-
delphia. He was formerly with the
firm of O'Donald & Taylor, hardware
dealers, of Jacksonville, and had a
large number of friends there.

He traveled through Florida for sev-
eral years and had a host of friends
in this State who will be grieved to
learn of his death.

Deceased was a member of Troy,
Ala., Lodge No. 928, B. P. O. E., and
the following telegram was sent to
that lodge addressed to the exalted
ruler:

"Gainesville Lodge No. 990, B. P. O.
E., deeply sympathizes with Troy
lodge in the death of your member,
Brother Taylor, whom we knew and
recognized as a true man and a splen-
did gentleman. If Gainesville No.
990 can serve you in any way
in this sad bereavement, we are at
your command."

This message was signed by Henry
S. Chubb, exalted ruler, and J. M. Dell,
Jr., secretary.

The funeral will be held this morn-
ing from the First Baptist Church, at

10 o'clock. It will be conducted by
Rev. Francis H. Craighill, assisted by
Rev. S. B. Rogers.

The following gentlemen will act as
pall-bearers: B. M. Tench, Ben Mil-
ler, J. H. Tench, F. D. Warner, B. F.

quested to meet at the undertaking
parlors of Robt. McClellan at 9:45
a. m.

HARMFUL STOMACH DOSING.

No Need of It When Hyomei Is Used
to Cure Catarrh.

Physicians and scientists agree that
the less medicine one swallows, the bet-
ter. It is in keeping with this idea that
Hyomei is recommended by leading
physicians throughout this and other
catarrhal sections.

When this treatment is used in ca-
tarrhal troubles, there is no stomach
dosing, for the medicine is taken in
with the air you breathe, and goes right
to the spot where the catarrhal germs
are present, healing the inflamed and
irritated mucous membrane, killing
the disease germs and entering the
blood with the oxygen, driving all ca-
tarrhal germs from the system.

Do not try to cure catarrh of the
head by putting medicine into your
stomach—this is neither a scientific
nor common sense treatment. Breathe
the healing balsams of Hyomei and in
a few days you will notice relief, and
its continued use will result in a com-
plete and lasting cure.

J. W. McCollum & Co. have seen so
many cures made by Hyomei amongst
their customers, several of them cases
where all hope of relief had been
given up, that they give an absolute
guarantee of cure, or money will be
refunded with every outfit they sell.

The complete outfit costs but \$1,
while extra bottles of Hyomei if
needed are only 50 cents.

Commissioner C. C. Pedrick and Fair
Commissioner N. A. Callison left Sun-
day for Tampa, where they will com-
plete arrangements with the State Fair
Association for Alachua county's ex-
hibit. They expect to return to this
city today.

SKIN DISEASES

FIERY ACIDS IN THE BLOOD

All skin diseases are due to the same cause—an excess of acid in the
blood caused by faulty assimilation of food and poor bowel action; this
fiery acid matter is forced to the surface through the pores and glands.
Pustules are formed, discharging a sticky fluid which dries and makes a crust,
causing intense itching. When the crusts or scabs are scratched off the
skin is left raw and bleeding.

Sometimes skin diseases are in the
dry form, and bran-like scales come on
the flesh, or the skin becomes hard and
dry, often cracking, and the painful
itching causes acute suffering. It
does not matter how the trouble is
manifested, the cause is the same—an
excess of acid in the blood. Salves, powders, cooling washes, etc., while they
relieve the itching and give the sufferer temporary comfort, cannot cure the
trouble because they do not reach the acid laden blood. The best treatment
for all skin diseases is S. S. S., a remedy that
is purely vegetable and one which acts directly
on the blood with a cleansing, healing effect.
S. S. S. neutralizes the acids, and purifies the
blood so that the skin instead of being blistered
and burned by the fiery fluids, is nourished by
a supply of cooling, healthy blood. Special
book on Skin Diseases and any medical advice desired will be furnished
without charge.
